Dear Hal,

Sorry but my copy of "Murder From Within" went up in the fire that destroyed my house.

I thought Fetzer's reply to Vesco, the tributes to Penn would interest you.

Regarding Turner's articles, General Escalante was a source for Claudia Furiati's awful book, "ZR Rifle."

General Escalante used "Double Cross" as a source! (GLOBE + MAIL)

You addressed Dr. Read (THE GLOBE) and Saunders Spencer in Post Mortem.

R.F.K. took the position assigned did it as per Lester David malarkey.

Haynes Johnson wrote that R.F.K. called ~~him~~ and said, "one of your guys* did it". Washington Post 11/20/83.

* meaning anti-Castro Cubans

R.F.K. assassinated McCone if
The CIA did it. Schlesinger.
Richard Goodwin said
on T.V. that R.F.K. speculated
on The Mafia and "that Mob
guys in New Orleans."
So he took all the major
theories.
The X Files story
in The N.Y.T. shows how 11/22/63
has entered into "pop
mythology".
Stay well.

Sincerely,
Ed Williams
